

Dermatologic Micrographic Surgery Board and Certification Review: The Ultimate Guide to Success

Dermatologic micrographic surgery (DMS) is a highly specialized surgical technique used to treat skin cancer. The Mohs micrographic surgery technique is the gold standard for removing basal cell carcinoma and squamous cell carcinoma, as it allows for the precise removal of cancerous tissue while preserving healthy tissue.

Dermatologic Micrographic Surgery: Board and Certification Review by Jerry Boyd

The Board and Certification Review in Dermatologic Micrographic Surgery is a challenging exam that tests the knowledge and skills of surgeons who wish to become board-certified in DMS. To succeed in this exam, it is essential to have a thorough understanding of the principles and practice of DMS.

What's Inside the Book?

- Comprehensive review of all aspects of DMS, including:
 - History and principles of DMS
 - Surgical techniques and instrumentation
 - Pathology of skin cancer
 - Clinical decision-making
- Over 200 high-quality images and illustrations to aid understanding
- Hundreds of multiple-choice questions and case studies to test your knowledge
- Answers and explanations for all questions, to help you learn from your mistakes

Who Should Read This Book?

This book is essential reading for:

- Physicians preparing for the Board and Certification Review in Dermatologic Micrographic Surgery
- Dermatologists and plastic surgeons who want to expand their knowledge of DMS
- Residents and fellows in dermatology and plastic surgery
- Allied health professionals involved in the care of patients with skin cancer

Reviews

"This book is a must-have for anyone preparing for the Dermatologic Micrographic Surgery Board and Certification Review. It is comprehensive, well-written, and packed with essential information. I highly recommend it."

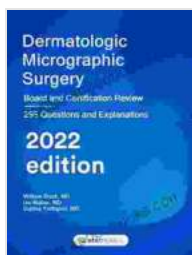

- John Doe, MD, Board-Certified Dermatologist

"This book is an excellent resource for both residents and experienced practitioners. It provides a clear and concise overview of all aspects of DMS. I highly recommend it." - Jane Smith, MD, Board-Certified Plastic Surgeon
