Plot Summary

Jaxom is a young man who lives on the planet Pern. He is the son of Lord Groghe and Lady AIVAS, two of the most powerful people on the planet. Jaxom is also a Dragonrider, a member of an elite group of people who can ride dragons. Dragonriders are responsible for protecting Pern from the Thread, a deadly space-borne organism that threatens to destroy the planet.

Jaxom is a talented Dragonrider, but he is also reckless and impulsive. He often gets into trouble, and his actions often put his fellow Dragonriders in

danger. However, Jaxom is also a loyal friend and a brave warrior, and he is always willing to fight for what he believes in.

In *Dragon Kin*, Jaxom is tasked with a dangerous mission. He must travel to the Southern Continent to find a new Weyr, a place where dragons can lay their eggs. The mission is dangerous, but Jaxom is determined to succeed. He knows that the future of Pern depends on it.

Characters

Jaxom is the main character in *Dragon Kin*. He is a young man who is destined to become the next Dragonrider. Jaxom is a talented Dragonrider, but he is also reckless and impulsive. He often gets into trouble, but his actions often put his fellow Dragonriders in danger.
