The Elite Warriors of the Imperium

The Grey Knights are the most elite warriors of the Imperium of Man, hand-picked from the ranks of the Space Marines. They are the Imperium's secret weapon against the horrors of Chaos, the dark forces that seek to destroy all that is good in the galaxy.

The Grey Knights are genetically engineered to be the perfect soldiers. They are stronger, faster, and more resilient than any normal human. They are also trained in the most advanced combat techniques and armed with the most powerful weapons.

But what truly sets the Grey Knights apart is their unwavering faith in the Emperor of Mankind. They believe that the Emperor is a god, and that it is their duty to protect him from all threats. This faith gives them the strength to face even the most terrifying enemies.

Walking Grey

In 'Walking Grey,' the Grey Knights are faced with their greatest challenge yet. A powerful daemonic incursion has threatened to overrun the Imperium, and only the Grey Knights can stop it.

The Grey Knights must travel to the daemon-infested world of Grey, where they will face hordes of Chaos daemons and their mortal followers. It is a mission that will test their limits, and it will require all of their faith and strength to succeed.
