Edited by Robert Lee Brewer, Journeys 2024 is an anthology of international haibun, featuring writers from all over the world. The haibun is a hybrid form that combines haiku with prose, and it is a perfect way to capture the essence of a moment in time. This anthology features a wide range of voices and perspectives, and it is sure to provide readers with a new appreciation for this unique form of poetry.

What is Haibun?

Haibun is a literary form that combines haiku with prose. The haiku is a three-line poem, with five syllables in the first line, seven syllables in the second line, and five syllables in the third line. The prose is a short piece of writing that provides context for the haiku. The haibun is a versatile form that can be used to explore a wide range of topics, from the beauty of nature to the complexities of the human condition.

The Writers
