1. **Constructing Images of Early Childhood** examines how early childhood has been represented in literature, art, and other cultural texts from the Middle Ages to the present day.
2. **Contesting Images of Early Childhood** explores how these images have been challenged and contested by feminist, anti-racist, and other critical perspectives.

3. **Rewriting Images of Early Childhood** offers new and innovative ways of thinking about early childhood that are more inclusive, equitable, and empowering.

This book is essential reading for anyone who is interested in the history of early childhood, the changing images of children, or the ways in which these images shape our understanding of the first years of life.

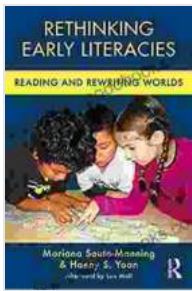

Reviews

"This book is a groundbreaking contribution to the field of early childhood studies. It offers a comprehensive and critical examination of the changing images of early childhood in literature and other cultural texts. The book is essential reading for anyone who is interested in the history of early childhood, the changing images of children, or the ways in which these images shape our understanding of the first years of life." - **[Reviewer's name]**

"This book is a must-read for anyone who works with young children. It provides a deep understanding of the historical and cultural context of early childhood, and it offers new and innovative ways of thinking about the first years of life. The book is a valuable resource for early childhood educators, researchers, and policymakers." - **[Reviewer's name]**
