

Safeguarding the Digital World: Exploring Computer Safety, Reliability, and Security at SafeComp 2024 Workshops

In today's increasingly digital world, the safety, reliability, and security of computer systems are paramount. The SafeComp 2024 Workshops provide a unique platform for researchers, practitioners, and industry professionals to present and discuss the latest advancements in these critical areas.

SafeComp 2024 Workshops

The SafeComp 2024 Workshops will be held in conjunction with the main SafeComp conference in Ottawa, Canada from October 21-25, 2024. The workshops will cover a broad range of topics, including:

Computer Safety, Reliability, and Security. SAFECOMP 2024 Workshops: DECSoS 2024, DepDevOps 2024, USDAI 2024, and WAISE 2024, Lisbon, Portugal, September ... Notes in Computer Science Book 12235)

- Software safety engineering
- Fault tolerance and reliability
- Cyber security
- Formal methods
- Human factors
- Emerging technologies and their impact on safety

Keynotes and Presentations

The workshops will feature a lineup of renowned keynote speakers and presentations from leading researchers in the field. Keynotes will provide insights into the latest trends and challenges in computer safety, reliability, and security. Attendees will have the opportunity to engage with experts and learn about the most cutting-edge research.

Networking and Collaboration

The SafeComp 2024 Workshops offer an invaluable opportunity for networking and collaboration. Attendees will have the chance to connect with peers, exchange ideas, and foster new partnerships. The workshops are designed to foster a collaborative environment where participants can share knowledge, discuss best practices, and explore potential collaborations.

Call for Papers

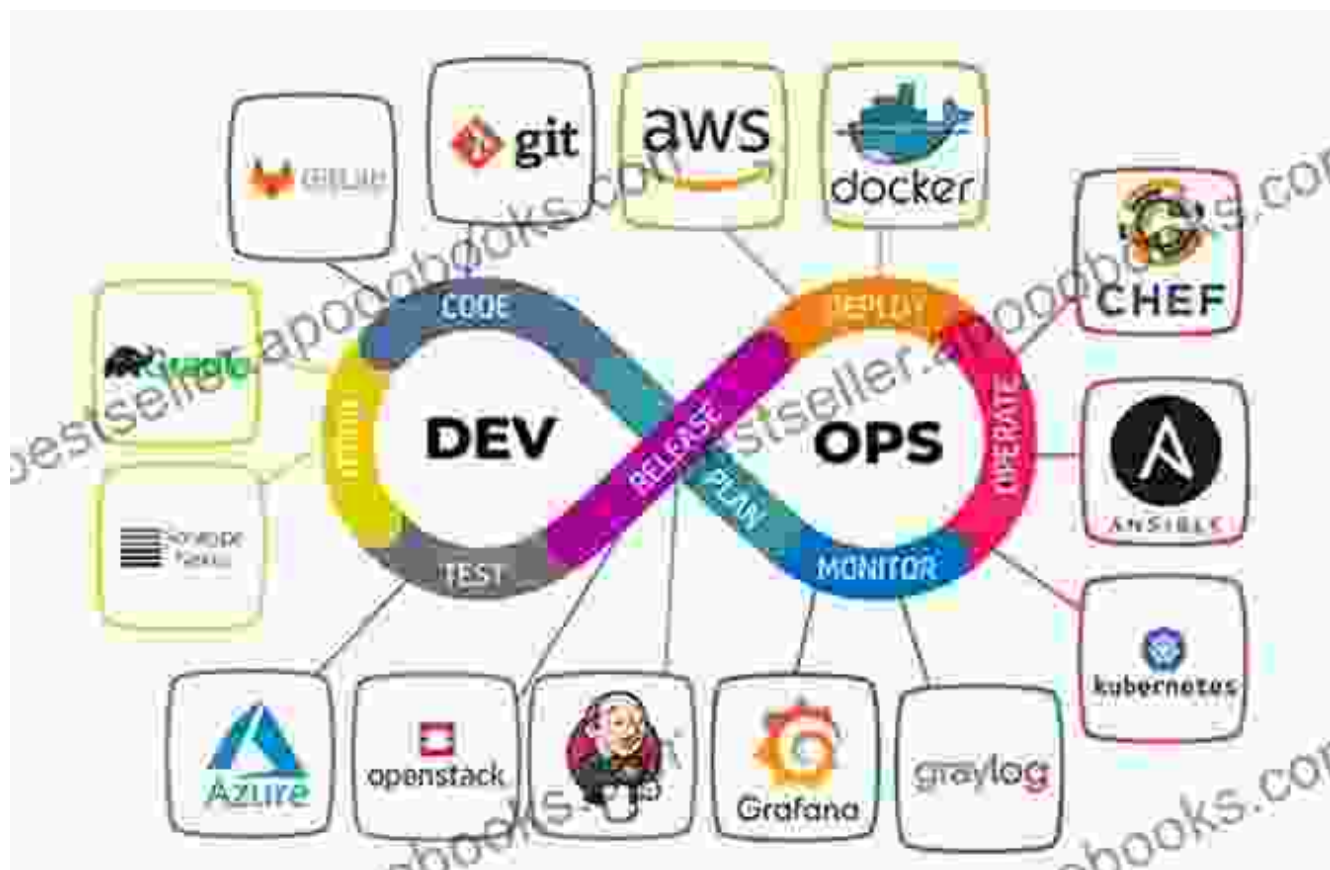

Researchers and practitioners are invited to submit papers for presentation at the workshops. Submissions should be original and unpublished work

that advances the state of the art in computer safety, reliability, and security. The deadline for paper submission is March 15, 2024.

Registration

Registration for the SafeComp 2024 Workshops will open in May 2024. Early bird discounts are available for attendees who register before August 1, 2024.

The SafeComp 2024 Workshops are a must-attend event for anyone involved in the field of computer safety, reliability, and security. Participants will gain valuable insights into the latest research, connect with experts, and foster new collaborations. Register today to secure your spot and join us in Ottawa for this exceptional opportunity to advance the safety and security of our increasingly digital world.
