So Not My Thing tells the story of Sarah, a successful businesswoman who has always put her career first. She's never been one for dating, and she certainly doesn't believe in love at first sight. But when she meets Jake, a charming and easygoing artist, she starts to question everything she thought she knew about herself.

Jake is everything Sarah is not. He's spontaneous, creative, and always up for a good time. He challenges Sarah to step outside of her comfort zone and experience life to the fullest. As they spend more time together, Sarah starts to fall for Jake's infectious personality and undeniable charm.

But just when Sarah thinks she's finally found her happily ever after, her ex-boyfriend comes back into her life. He's everything Jake is not: stable, reliable, and predictable. Sarah is torn between her heart and her head. Who will she choose? The man who makes her laugh and feel alive, or the man who offers her a safe and secure future?

So Not My Thing is a hilarious and heartwarming romantic comedy that will make you laugh out loud and fall in love all over again. Sarah Smith's writing is witty and engaging, and her characters are relatable and charming. You'll find yourself rooting for Sarah and Jake every step of the way.
