The Cornerstones of Dr. Heyge's Pedagogy

Dr. Heyge's pedagogical philosophy rests on four fundamental principles:

1. **Student-Centered Learning:** Placing the student at the heart of the learning process, where their needs, interests, and experiences guide the educational journey.
2. **Inquiry-Based Approach:** Emphasizing critical thinking, questioning, and problem-solving, fostering a love of learning and a thirst for knowledge.
3. **Collaborative Learning:** Encouraging teamwork, peer support, and shared experiences to enhance understanding and build interpersonal skills.
4. **Assessment for Learning:** Using assessment as a tool to monitor progress, provide feedback, and adapt instruction to individual student needs.

These principles intertwine to create a dynamic and engaging learning environment where students are active participants in their own education.
