Willie Nelson is one of the most iconic figures in country music. With a career spanning over six decades, he has released over 100 albums and sold over 40 million records worldwide. He is also a Grammy Award winner and a member of the Country Music Hall of Fame.

In his autobiography, Willie, Nelson tells the story of his life and career. He begins with his childhood in Abbott, Texas, where he grew up listening to

the music of Hank Williams and Ernest Tubb. He then recounts his early days as a musician, playing in honky-tonks and bars across the country. In the early 1960s, Nelson moved to Nashville, where he began writing songs for other artists. In 1964, he released his debut album, *And Then I Wrote*, which featured the hit single, "Hello Walls."

Over the next few years, Nelson released a string of successful albums, including *Red Headed Stranger* (1975), *Stardust* (1978), and *Honeysuckle Rose* (1980). He also starred in several films, including *The Electric Horseman* (1979) and *Honeysuckle Rose* (1980). In the 1990s, Nelson continued to release albums and tour, and he was inducted into the Country Music Hall of Fame in 1993.

Willie is a fascinating and inspiring autobiography. Nelson is a true American icon, and his story is one that will appeal to fans of country music, as well as anyone who has ever dreamed of following their dreams.

Reviews

"*Willie* is a must-read for any fan of country music. Nelson's writing is honest, funny, and insightful, and he tells the story of his life and career with candor and humor." - *The New York Times*
